# DEALER DISPLAY GUIDE

2018

EFFECTIVE 01/01/2018

## **MERCHANDISING OPPORTUNITIES**

### **APPEARANCE IS EVERYTHING**

For more than two decades, the Case Authorized Dealer Program has been focused on committed, independent retailers. This program was designed to be an all inclusive marketing and sales program that provides dealers with the tools to be successful in today's evolving marketplace. Careful research has been given to each detail, and we are confident in the success of this program. We firmly believe dealers who join our Authorized Dealer Network and are committed to the brand will become Case destinations. These dealers are not only sought out by the Case Collector, but also by the everyday knife enthusiast.

Our keys to success lie in our quality American-made product and our loyal dealer and customer base. The heart of the Case Authorized Dealer Program was built at the grassroots level by local mom and pop dealers who remain the backbone of our company today. We encourage you to learn more about this exclusive program and the various merchandising opportunities we provide. Benefits range from exclusive product offerings and discounts to co-op advertising support and circular opportunities to being listed on the Case Website. These benefits are just a few of the many that Case offers to this elite group of dealers.

### THE CASE LIMITED LIFETIME WARRANTY

We warrant each and every Case knife to be free of defects in materials and workmanship for the life of the owner, and we will repair or replace with a new Case knife, at our option, any Case knife which is defective. Case & Sons Cutlery Company, Repair Department, 50 Owens Way, Bradford, PA 16701.

Case does not warrant its products against normal wear or misuse of its products or their finish. Case knives are not intended to be used as hammers, chisels, pry bars, or screw drivers. If your knife was damaged due to misuse, our repair center can analyze the damage and repair it for a reasonable fee. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

### CASE REPAIR STATEMENT

As stated in our warranty, Case will attempt to repair any knife that may have a defect in materials or workmanship.

If repairs cannot be made we will offer you a new knife.

However, if the knife holds sentimental value or is a collector's item and cannot be repaired, Case is not responsible for offering a replacement or repayment that is equal in value. Case will furnish a currently manufactured item that most closely matches the item sent for repair.
