## ANATOMY OF A CASE KNIFE

Hand-crafting a Case knife is an exercise in skill, focus, and, most importantly, patience. Roughly 160 steps go into the creation of each knife, from the handle to the blade to everything in between. To us, the process is just as important as using the finest components in the world, like rich, natural handle materials, premium-quality steel, select brass and superior nickel silver.

### **THE CASE LIMITED LIFETIME WARRANTY**

We warrant each and every Case Knife to be free of defects in material and workmanship for the life of the owner, and we will repair or replace with a new Case knife, at our option, any Case knife that is defective. That's how strongly we feel about the quality of our cutlery. If you believe your Case knife has a manufacturing defect, mail your knife, along with a written explanation of the problem, to: W.R. Case & Sons Cutlery Company, Repair Dept, 50 Owens Way, Bradford, PA 16701 USA.

Case does not warrant against normal wear or misuse of its products or their finish. Case knives are not intended to be used as hammers, chisels, pry bars or screw drivers. If your knife was damaged due to misuse, our Repair Department can analyze the damage and repair it for a reasonable fee. This Warranty gives you specific legal rights and you may have other rights which vary by area.

### **CONSUMER AWARENESS STATEMENT**

The blades that go into every Case knife are honed to an extremely sharp edge. We ask that you be very cautious when opening, using or sharpening our products. Case knives are intended to be used as working tools; they are not weapons and should not be used as such. If an injury occurs during use (or misuse) of a Case knife, this is a risk that our customers assume, and Case can in no way be held accountable. Our customers expect Case to deliver high-quality, razor-sharp knives; in turn, we ask each customer to use our products safely and wisely.

Due to the hand-crafted nature of our products and our extensive use of natural materials, some items may not look exactly as depicted.

### **REGULATIONS**

Purchaser is responsible for understanding and following any applicable laws, regulations or ordinances relating to the transport, import, purchase, sale, use, or possession of these products. W.R. Case & Sons Cutlery Company reserves the right (but does not have the obligation) to remove from any orders any products that may be restricted for import, or to increase shipping costs to certain locations.
