## ELECTRO-ETCH

Electronic transfer onto a metal surface. This is a surface imprint on blades or metal handles. The Electro-etch is semi-permanent.

## TECH PRINT

Photo emulsion of paint onto blades and metal handles. Up to two (2) colors per surface. The Tech Print is semi-permanent.

## LASER ENGRAVING / SURFACE MARKING

Imprint available on handles and blades of certain items. This process removes the black hard coat allowing the underlying metal to shine through.

**CONTACT THE CASE® SALES OFFICE AT (800) 821-1924 FOR A COMPLETE LISTING OF KNIVES AVAILABLE FOR EACH PROCESS.**

## IMPRINTING POLICIES, WARRANTY, AND REPAIR

### LOGO SET-UP CHARGE

There will be an initial fee for artwork/logo set-up. If artwork creation and/or modifications are requested, the set-up cost must be quoted on an individual basis. Set-up fee may vary with artwork. Artwork will remain on file at Case for a three-year time period. There is no set-up charge for straight-line type.

### ARTWORK GUIDELINES

Artwork should be submitted in one of the following formats: Digital Vector File: Created in a program such as Adobe Illustrator or Corel Draw and saved as an EPS, AI, or CDR file. Digital Raster or Bitmap File: 300 DPI or greater and saved as a JPEG or TIFF file.

### PHOTOGRAPHY DISCLAIMER

The artwork, designs, and trademarks imprinted on products displayed in this catalog are reproduced only as examples of the types and quality of decorated products available. They are not intended to represent that the products are either endorsed by or produced for the owners of the artwork, design, or trademark.

### ARTWORK DISCLAIMER

W.R. Case & Sons Cutlery Company has sole discretion to accept or reject artwork or images to be placed on any product offered for any reason, including but not limited to suspected infringement of third-party intellectual property rights. Purchasers submitting artwork must also submit an artwork agreement, which contains representations and warranties that the purchaser owns or has rights to the artwork, and agrees to indemnify W.R. Case & Sons Cutlery Co. for any claims related to use of the artwork on the products.

**MINIMUM ORDER REQUIREMENTS FOR IMPRINTING:** Fifty (50) units per item

### SAMPLE POLICY

Pre-production samples for approval are available upon request and will be considered part of the order. There will be an additional art charge for any change in artwork after a pre-production sample is produced.

### CANCELLATION CHARGES

Orders cancelled during production will be charged for work completed at the time of cancellation (including artwork/setup fees).

### RETURNS

All merchandise is sold on a final sales basis. If products are being considered on programs requiring a return privilege, a specific written agreement must be obtained from Tec X®. Other than claims under our warranty, no returns possible on imprinted items.

### SALES TAX

State and local sales tax will be charged on each order based upon the tax rates and the shipping address. No sales tax will be charged if sales tax exemption certificate is supplied.

### REGULATIONS

Purchaser is responsible for understanding and following any applicable laws, regulations or ordinances relating to the transport, import, purchase, sale, use, or possession of these products. W.R. Case & Sons Cutlery Company reserves the right (but does not have the obligation) to remove from any orders any products that may be restricted for import, or to increase shipping costs to certain locations.

### REPAIR STATEMENT

If the knife holds sentimental value or is a collector's item and cannot be reasonably repaired, W.R. Case is not responsible for payment to you that is equal in value.

### LIMITED LIFETIME WARRANTY

Case warrants each and every Tec X® knife to be free of manufacturing defects in material and workmanship for the life of the owner. We will repair or replace at our option, any Tec X knife that has a manufacturing defect. If replacement is necessary, Case will furnish a currently manufactured item that most closely matches the item sent in for repair. That's how strongly we feel about the quality of our cutlery. If you believe your Tec X knife has a manufacturing defect, mail your knife along with a written explanation of the problem to:

**Tec X - W.R. Case & Sons Cutlery Company  
Repair Department  
50 Owens Way  
Bradford, PA 16701**

Case does not warrant its products against normal wear or misuse. Tec X knives are not intended to be used as hammers, chisels, pry bars or screw drivers. If your knife was damaged due to normal wear or misuse, our repair department can analyze the damage and repair it for a reasonable fee. This warranty gives you specific legal rights and you may have other rights which vary by state or country.

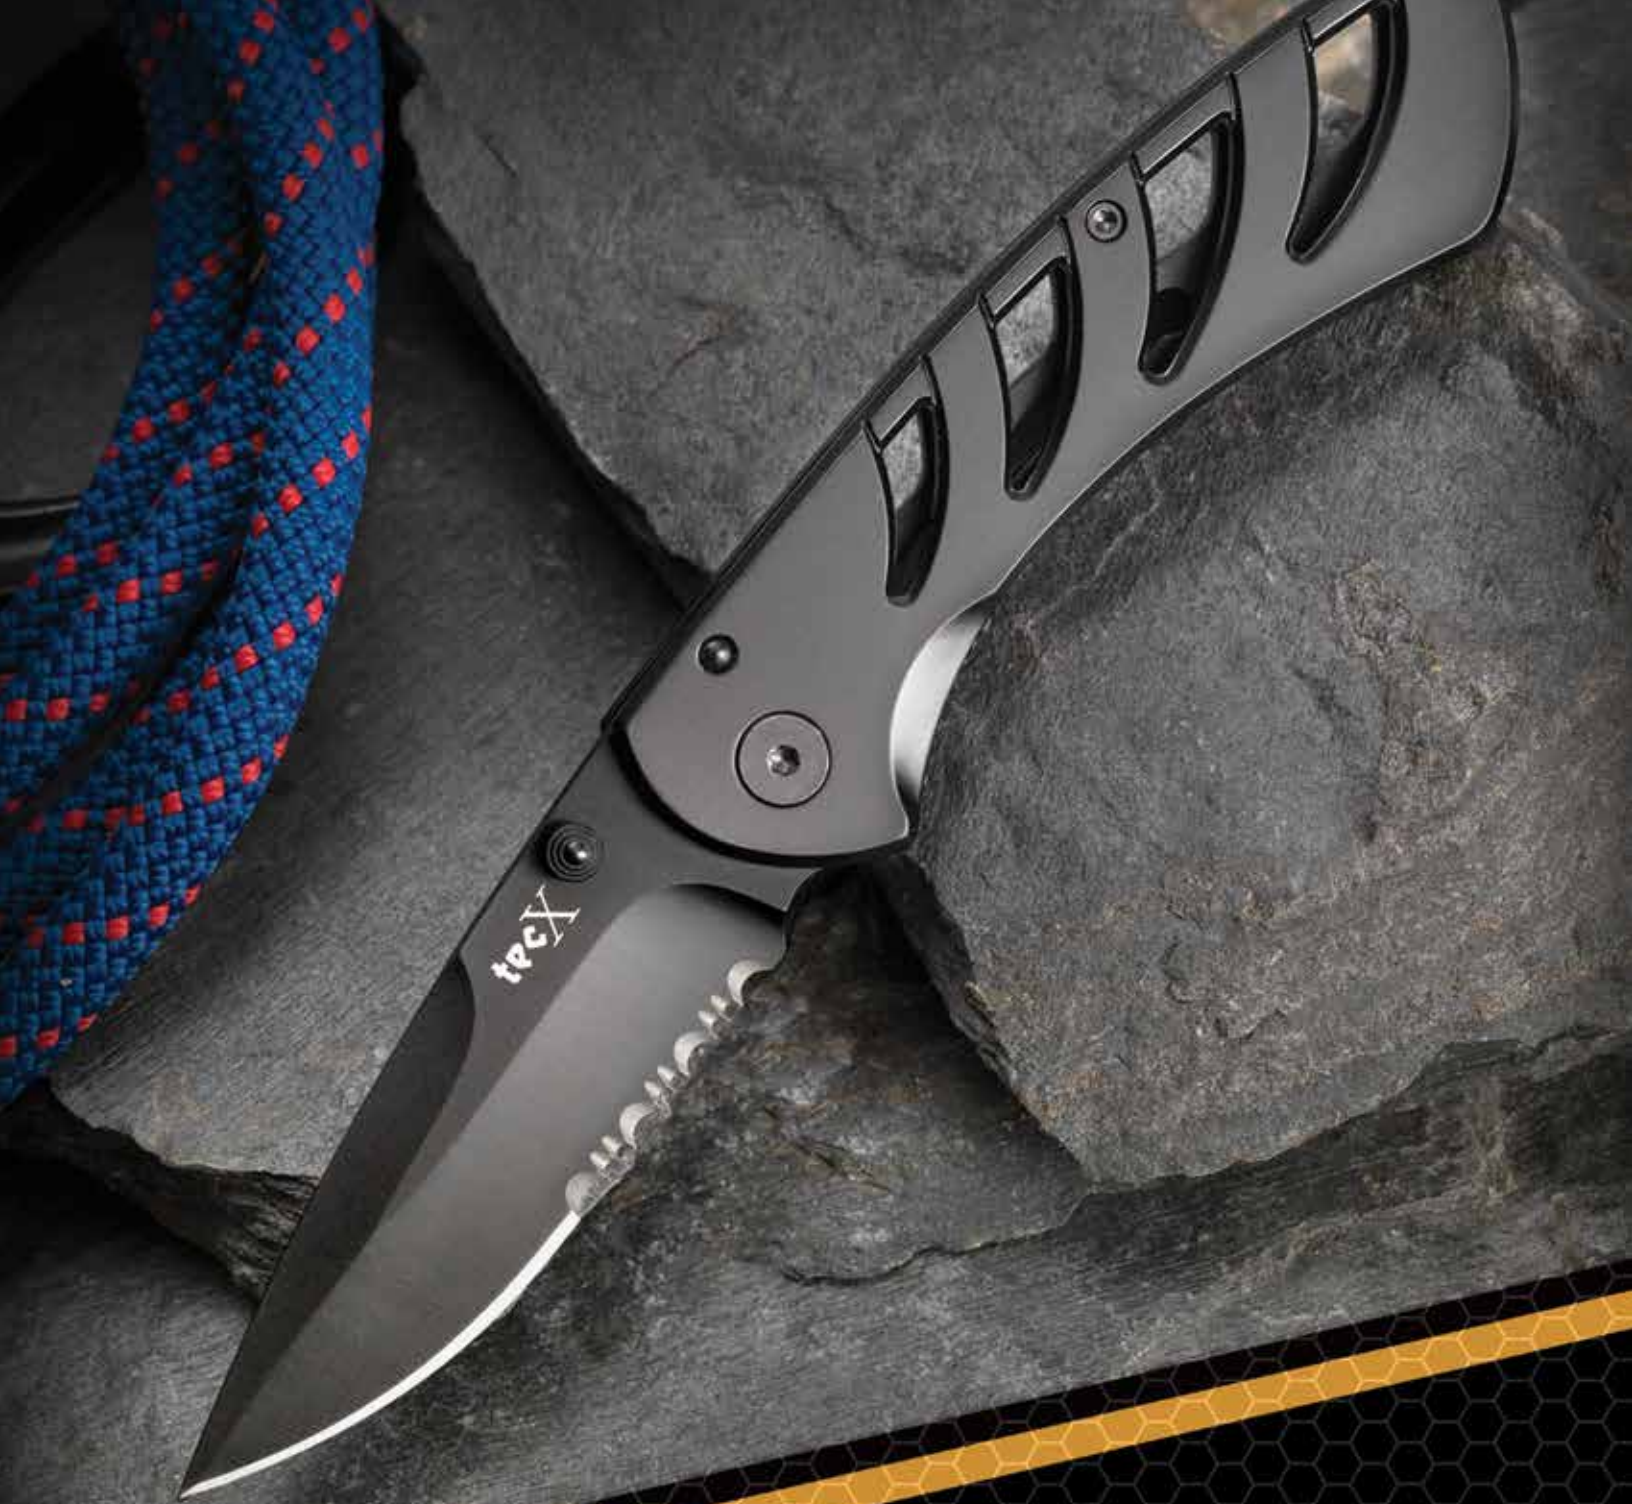

### ABOUT TEC X

Tec X brand knives are manufactured in China to Case quality standards.
