### "Topsy" Assortment

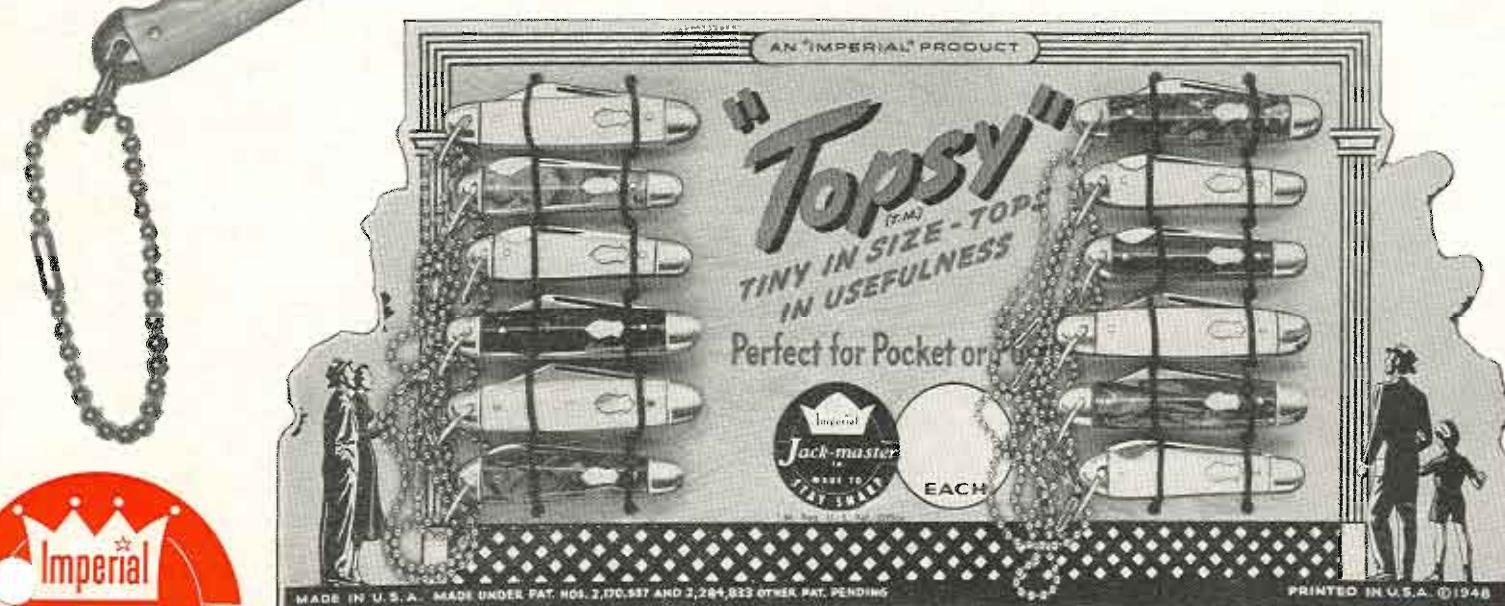

The "MIDGET" Line originated with Imperial. Only the patented "JACK-MASTER" construction permits these attractive little knives to be made with precision and uniformity. Their smooth, beautifully ovalled handles, and perfection of shape, have never been successfully imitated.

Handles come in a wide range of gleaming, genuine celluloid colors — no dull, lack-lustre composition plastics are used. All blades are hand edged, and nicely finished.

The wide assortment of patterns on the New "TOPSY" card illustrated is sure to provide a knife for every taste, insuring quick turnover.

Packed One (1) Dozen on a beautiful display card, as illustrated.

Packed weight:  $\frac{3}{4}$  lb.

## STAG HEAD HUNTING KNIVES

These sturdy new "Stag Head" Hunting Knives have beautiful molded handles in brown and ivory tones. The Stag's Heads on both sides of the handle give the appearance of being hand carved.

In addition to its appearance, this handle has the added advantage of providing a good, safe grip.

Blades are of high carbon cutlery steel, hardened and tempered, and hand edged.

The tang extends through the entire handle. Large brass compression rivets lock handles securely to the blade.

Strong steel guard.

Each knife comes in a genuine leather sheath.

Packed One (1) Dozen in a shelf carton.

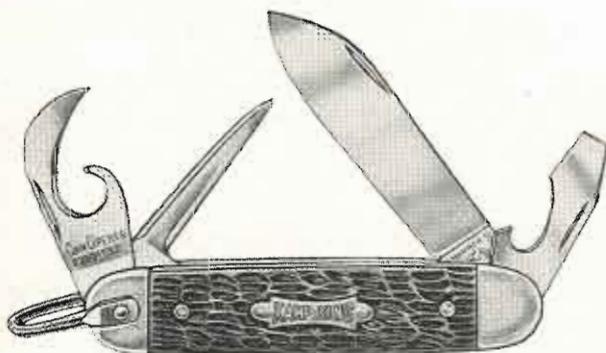

Packed weight: 3 3/4 lbs. per dozen.
