2012 PRODUCT CATALOG

QUALITY KNIVES & TOOLS FOR OUTDOOR ADVENTURE

SWINGBLADE SERIES

Push the lock button and the SwingBlade changes from drop-point skinner to the ultimate gutting blade. This innovative blade cuts under the skin to open game like a zipper without cutting hair or internal organs. The SwingBlade is hand finished shaving sharp from AUS-8 stainless steel and subzero quenched for superior edge retention and performance. Rubberized Kraton® handles ensure a non-slip grip, even when wet. Each SwingBlade comes complete with a quality nylon belt sheath and is lifetime guaranteed.
