Queen Steel Knives are made and styled for the independent Retail Hardware Store in the town or small city. Queen makes it possible for the independent Retail Hardware Store to buy all of their needed requirements from one source at the lowest direct factory prices.

Queen Steel Knives are of interest to Hardware Store Owners because Queen Steel knives will not rust and will not stain and will stay sharp far longer than other knives. The Store Owner no longer has to worry about his stock of knives remaining in good condition. That's why Queen is growing the fastest in popularity in the quality field of knives.

Prompt delivery and courteous efficient service coupled with the very finest quality products at the most reasonable prices make up the balance of the winning combination and tell you why more Store Owners are featuring Queen than ever before in the history of our Company.

Most of our accounts have this display

No. 4-A Display Case

Large Floor Display Case, light oak finish. 45 1/2 inches high with display panel measuring 28 x 38 inches. Storage space in rear with lock. We loan this case with display panel fully mounted to our Dealers on orders for 1/2 dozen of stock on each pattern for 50 or more patterns.

The patterns mounted on the display panel are taken from the stock ordered. If desired we will place a marking button under each pattern identifying the pattern number and showing the Dealer's retail resale price.

This case should be mounted with all the patterns you carry in stock.

Display Cases Save Half Of Your Salesman's Time

Every store should have a display

No. 1-A Display Case

Counter Display Case, light oak finish. Measures 18 x 15 inches. We loan this Case to our Dealers at No Charge on orders for $\frac{1}{2}$ dozen of stock on each pattern for 12 to 20 patterns.

We take the mounting from the stock and do not charge for it.

We place a marking button under each pattern identifying the pattern number and showing the Dealer's retail resale price.

This case has folding legs in the rear for standing up. It can be hung up on the wall by two hooks in the rear.

No. 2 Display Case

Counter Display Case, light oak finish. Measures 17 x 22 inches. Storage space for stock in the rear. We loan this case to our Dealers at No Charge on orders for $\frac{1}{2}$ dozen of stock on each pattern for 20 to 30 patterns.

We take the mounting from the stock and do not charge for it.

We place a marking button under each pattern identifying the pattern number and showing the Dealer's retail resale price.

This case should be mounted with all the patterns you carry in stock.

No. 3 Display Case

Large Counter Display Case, light oak finish. Measures 24 x 24 inches. Storage Space in the rear with lock. We loan this case to our Dealers at No Charge on orders for $\frac{1}{2}$ dozen stock on each pattern for 30 to 50 patterns.

We take the mounting from the stock and do not charge for it.

We place a marking button under each pattern identifying the pattern number and showing the Dealer's retail resale price.

This case should be mounted with all the patterns you carry in stock.

Display Cases Double Your Sales

Queen Steel

No. 73 Hunting Knife — Genuine Frontier Bone stag barehead handle with 4-inch flat ground blade. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Complete with leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. Tremendous value.

No. 74 Hunting Knife — Genuine Frontier Bone stag handle with 3 5/8-inch flat ground blade. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Complete with leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. One of our best selling hunting knives.

Queen Steel

De Luxe Matched Table Line

We consider this line our finest creation. The Queen Steel used in these knives is the finest in the world. It is especially made to conform with our rigid specifications. Will not rust or stain and because of our secret tempering process, they will stay sharp far longer than other knives. Solid piece construction makes it impossible for any food particles to lodge in any part of the knives. The Genuine Frontier Bone Stag handles mean eternal handle life and best of all hand washing will not mar or dull the appearance of these handles but rather they improve with age. Scientifically designed and balanced to fit comfortably in the hand they make carving and eating a more delightful pleasure. Reading from left to right they are as follows:

How to sharpen a Queen Knife

These Special Sharpening Stones are made of the same stone we use in the factory to sharpen our knives. No other stone or steel will sharpen our knives properly. We sell these stones only to our authorized dealers.
