A KNIFE LIKE GRANDAD'S . . .

Here are knives with all the old-fashioned qualities of superior workmanship, good looks and high utility value, and with more sheer cuttin' ability than any other knives in many, many years.

Handmade, hand-honed and hand edged, the blades are crafted of fine hardened and tempered cutlery steel. Each features a Meerscham bone handle, exclusive Old Timer shield and is impressively gift boxed in true "he-man" fashion.

NOTE: The hardness and resiliency of Old Timer handles make it impractical to imprint or stamp.
