## Schrade Bench Made® Collection

**SCHRADER** 49ers Bench Made,® with Gold Rush brass guards and butt plates that recall the Pioneer "he-man" spirit that helped make the U.S.A. the greatest country in the world.

Schrade 49ers Bench Made® the good old way in the good old U.S.A., by one of America's oldest manufacturers of fine cutlery -- each knife is custom made by Master Cutlers who have developed their own style of skillfully balanced blades and handles. The Master Cutler hand-finishes each knife, and only then does he place his personal bench-mark on the butt plate, as an indication of his approval of the knife and the ultimate pride in his craft.

Schrade 49ers are guaranteed - against defective workmanship and materials. It is perfectly balanced for hours of easy dressing of game, or for general utility that calls for the highest quality material and dependability.

Schrade 49ers are fine companion pieces to your other quality sports equipment, and a tool that will give you years of service and pride of ownership.

## Collectors' Limited Edition

SERIAL NUMBER ENGRAVED ON BRASS BOLSTER

Legend has it that, dating back to the 1800's, Francis Channing Barlow conceived the idea of making a knife with an extra-long bolster for added strength. Now, to commemorate this classic design, Schrade, America's Master Cutler, proudly presents this limited edition Barlow.

Schrade's master craftsmen have cutlered each knife of the finest stain-resistant cutlery steel and perfectly ground each blade, both vertically and horizontally, for easy sharpening, before hand-honing and hand-edging each.

The jet black saw-cut Delrin handle is highlighted by a solid brass engraved bolster and distinctive shield. Even the linings are of solid brass. Fine "diamond" engraved back.

Gift packaging includes registration card. Length 3-5/8" closed.
