**A Message from Walter A. Gardiner, President  
Imperial Schrade Corporation**

The best thing about Schrade pocket and hunting knives are the letters we get from our customers, telling us how much they enjoy our product. When we say that we make the finest pocket and hunting knives in the world, we do so with confidence, because our customers tell us so.

This catalog represents the most complete assembly of quality pocket knives, hunting knives and cutting tools ever offered by Imperial Schrade Corporation. Yes, you'll see some familiar faces in Uncle Henry<sup>®</sup> and Old Timer<sup>®</sup>, all built with pride in the U.S.A., but you'll also see some new ones too, like Pro Hunter<sup>®</sup> and Tradesman<sup>™</sup>.

We have been successful because of the loyal support and confidence of our customers. We are proud of this catalog and the product represented. We hope you enjoy it!
