SCHRADE
TOUGH
KNIVES AND TOOLS

**A message from Walter A. Gardiner, President
Imperial Schrade Corp.**

As our family of pocket knives, hunting knives, folding multi-tools and cutting products grow, we would like to say thank you.

This year's full line catalog represents the collective talents and efforts of over 700 dedicated professionals who are totally committed to your satisfaction.

Old Timer®, Uncle Henry®, and Schrade® products are manufactured using only superior materials, expert workmanship and over 95 years of manufacturing excellence in Ellenville, New York. Tradesman®, Apex® and Imperial® products are manufactured at our facility located in Listowel, Ireland.

On the ensuing pages you will see exciting new products, a great deal of which was developed with your input. Our new 430T (page 6) has the convenience of one hand opening and closing as well as a sturdy pocket clip. Our new SW7 (page 14) represents our industries only 180° rotating pocket clip to accommodate lefties and righties. The ST2 (page 10) takes convenience cutting a step further incorporating our award winning Schrade Tough Tool® design in a mini package far superior to the competition. New and exciting Tradesman® (page 18) cutting tools are designed for multi-task efficiency on the job.

If you are already a member of our family, or just considering one of our products, we hope you enjoy this year's line up. Without your support and confidence it would not have been possible.

Sincerely,

Walter A. Gardiner
President

SCHRADE® OLD TIMER®

Authentic handmade American classics, Old Timer® pocket, lockback and fixed blade knives are superb examples of American workmanship and quality. Most Old Timer® pocket knives and fixed blades feature special analysis high carbon steel blades, traditionally chosen for strength and resharpener ease. Old Timer® lockbacks have Schrade+ Stainless Steel blades - renowned for their anti-tarnish and edge retention characteristics. The handles are manufactured of saw cut Delrin®, a practically indestructible material.

Further strength and durability are insured in Old Timer® pocket knives and lockbacks by using solid brass linings and either nickel silver or brass bolsters - while our fixed blades offer full tang construction for maximum strength.

All Old Timer® knives are proudly made in the U.S.A. and feature a limited lifetime warranty.

SCHRADE TOUGH TOOL

Born of Schrade's on-going commitment to build the finest products in the world, the award winning Schrade Tough Tool® is safe, convenient, comfortable and easy to use.

Crafted from 100% stainless steel, the Schrade Tough Tool® has 21 of the most practical features and functions. The new Schrade Tough Chip™ is a real chip off the old block. The Chip combines the same type of innovation, usefulness and design the original Schrade Tough Tool® offers, but in a smaller size. The pick, tweezers and file implements are housed in one of the legs and are removable for convenient use. Several of the implements lock for safe operation.

Both the original Schrade Tough Tool® and the Schrade Tough Chip™ are proudly made in the U.S.A. and feature a limited lifetime warranty.

SCHRADE® OUTBACK®

SGS7 Outback

5 1/4" closed lockback w/sheath

The harsh environment of the Australian Outback was the inspiration behind the development of the Schrade Outback® lockback knife.

The Schrade Outback® knife begins with Schrade+ stainless steel to create a hand-honed, dual edge clip blade for demanding projects. A special pivot assembly using space-age "synergistic surface enhancement" is then implemented to provide superior strength and permanent lubricity. Heavy gauge liner construction and specially textured thermoplastic rubber handles insure a balanced, comfortable and secure grip under the most demanding conditions. Proudly made in the U.S.A. and features a limited lifetime warranty.

for Excellence in Design, Workmanship and Durability

Design & Finish

- ★ All Schrade® knives have beveled cover edges and are contoured to fit comfortably in your hand.
- ★ The size of the handle matches the size of the blade for overall balanced weight.
- ★ Contoured polished bolsters are designed for reduced pocket wear, comfort in the hand and appearance.
- ★ Polished liner edges eliminate all burrs and sharp edges.
- ★ Scotch Brite finish on all backs and ends to eliminate sharp edges and burrs.
- ★ Hidden bolster pins of the Swinden construction assures superior structural integrity and appearance.
- ★ Schrade® knives offer a choice of both lockback and liner locking designs.
- ★ Schrade® offers the greatest variety of blades when it comes to materials and functions.

Workmanship

- ★ Schrade® knives feature spun centerpins for appearance, feel and structure.
- ★ The blade position corresponds with the shape of the knife to assure a proper cutting angle.
- ★ Schrade® offers both flat and hollow ground blades.
- ★ Schrade® swedges all blades to assure blade cutting performance and appearance.
- ★ Schrade® knives are all hand cutlered, resulting in superior blade placement and walk and talk, assuring a properly working knife.
- ★ 100% hand inspection of every Schrade® knife assures quality in workmanship.

Durability

- ★ Schrade® knives flex positively, due to the annealing process, as well as blade pin structure and material.
- ★ All Schrade® handle covers are pinned for durability.
- ★ The construction and design of Schrade® knives allows for full wear with structural integrity over time.
- ★ Schrade® blades feature Rockwell hardness to meet the standards of the knife.

Summary

- ★ Schrade® knives are designed to be the finest knives in the world when it comes to design, durability and workmanship.
