# Imperial Schrade Corp.

Nearly a century ago (1904) the first Schrade knife was carefully hand crafted in a tiny upstate New York village. Since then, Schrade products have faithfully served one American generation to the next.

America truly "Works with Schrade," as generations of farmers, construction and factory workers, and many others, have all relied on quality Schrade knives and tools to get the job done. America's brave soldiers have carried our bayonets and knives into battle from WWI through today's conflicts. On the homefront, many levels of law enforcement, and of course our courageous fire fighters, count Schrade products as trusted companions.

Schrade products have become "required equipment" for millions of men and women hiking, backpacking, camping, fishing and hunting in the great outdoors.

Our family of pocket knives, hunting knives, multi-tools and cutting products continues to grow. That would not be possible without the collective efforts of our dedicated professionals who are totally committed to your satisfaction.

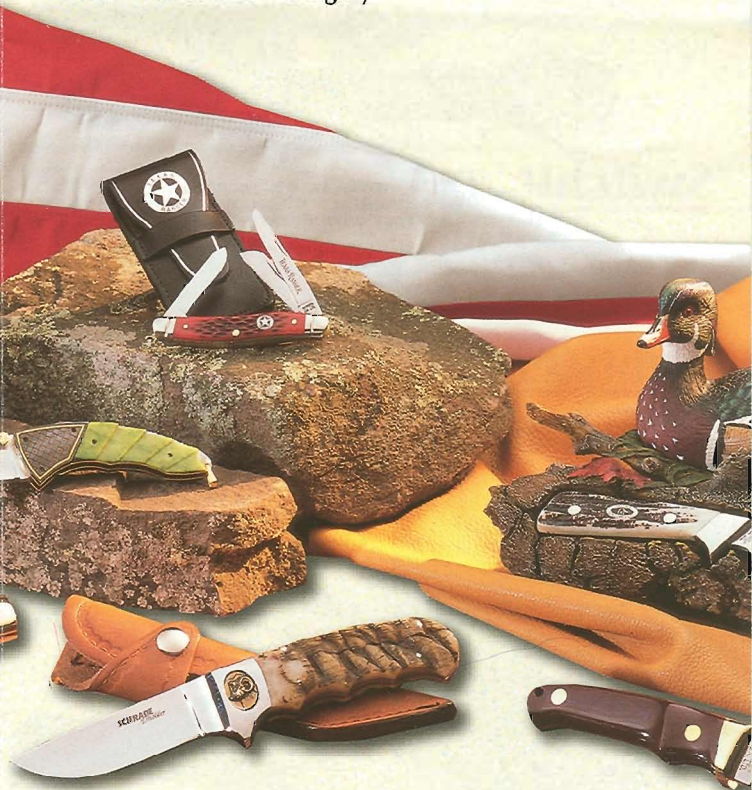

If you are already a member of our family, or just considering one of our products, we hope you enjoy this years line up. Without your support and confidence it would not have been possible.

Thank you

## Custom Collaborations

Custom knife makers are that rare breed that combine extraordinary knife knowledge, superior hand craftsmanship and a creative vision to produce truly unique and stunning one of a kind knives. Schrade has been very fortunate to partner with some of the best in the business. We've collaborated with Ron Lake, Michael Walker, Joe Kious, and Van Barnett (2001 Blade Magazine Knife Collaboration of the Year). We continue to work with D'Holder on our very special Centennial Collection, that celebrates our 100th birthday in 2004. Custom collaborations provide limited edition offerings with superior and exotic handles, blade steels and new locking mechanisms.

Schrade is committed to remain the industry's leader in the custom collaboration category.

## Partners in Conservation

For almost 100 years, Schrade has exemplified the highest standards of excellence in quality manufacturing with value for its customers. Built Schrade Tough and proudly made in the U.S.A. are positions which form the foundation of a corporate philosophy that believes in partnership with organizations that exemplify the same standards of excellence.

Our partnership with such organizations as the NRA's Youth Hunter Education Challenge are specific to recognizing the critical importance of our nation's youth as the future of America. Our partnerships with the U.S. Dept. of Fish and Wildlife and their Federal Duck Stamp Office, Ducks Unlimited and the Rocky Mountain Elk Foundation are all examples of Schrade's support to those organizations committed to responsible acquisition and management of wetlands and natural wildlife habitat.

Schrade views this corporate partnership as an example of positive cooperation between the private sector and our commitment to good corporate citizenship.

# The Schrade Bill of Rights

## For Excellence in Design, Workmanship and Durability

### Materials

Only the highest quality materials are used to ensure a lifetime of dependable use. 1095 High Carbon Cutlery Steel is used on most Old Timer Knives because of its ability to hold an edge and resharpening ease.

Schrade +Stainless Steel, a 400 series Stainless is also used in many Schrade models (as indicated on tang stamp) and offers superior edge holding and rust and stain resistance.

Schrade also continues to be an industry leader by utilizing "high end" blade steels like ATS34 and BG42.

Various handle materials are used-Zytel (extremely light weight), Delrin/Staglon (indestructible), Aluminum (Premium Aircraft Grade), TPR (Thermoplastic Rubber) and beautiful natural materials like bone, stag and wood.

### Design & Finish

All Schrade knives are designed with the end user in mind-assuring comfortable use and carry, a properly balanced knife and the right knife for the right job.

All Schrade knives feature contoured handles; and polished bolsters (pocket knives) for reduced pocket wear, comfort in the hand, and appearance.

### Workmanship

Schrade knives are all hand cutlered, resulting in superior blade placement and walk and talk, assuring a properly working knife.

100% hand inspection of every Schrade knife assures quality in workmanship.

### Durability

The construction and design of Schrade knives allows for full wear with structural integrity over time.

Schrade blades are Rockwelled to the optimum level providing an extended period of sharpness and ease of resharpening.

"Schrade" branded knives are so durable that they all feature the "Schrade Lifetime Warranty"

### Summary

Schrade knives are designed to be the finest knives in the world when it comes to design, durability and workmanship.

**SCHRADE  
TOUGH  
TOOL**

## ST100E SCHRADE TOUGH TOOL DISPLAY

Only one tool stands above the rest...The Schrade Tough Tool. Only one company stands above the rest when it comes to merchandising! Schrade's award winning designers have created 3 merchandising vehicles guaranteed to make the Schrade Tough Tool the hottest new item in any retail environment.

- Award winning graphics and design.
- Tool platform rotates for 360° view.
- Uses less than 8 inches of counter space.
- Made from the finest high tech materials available.

**Note:** A minimum of 9 tools must be ordered to receive this display at no charge. A \$30.00 charge will be imposed for orders of less than stated minimum assortment.

Size - 18" x 7-1/2" x 8-1/4"  
Shipping Wt. - 10 lbs.

## ST102E SCHRADE TOUGH CHIP DISPLAY

This display is designed for the dealer who may not have purchased the original Schrade Tough Display, but now wants to merchandise both Schrade Tough Tools (ST2, ST1). Same foot-print as original Tough Tool display.

**Note:** A minimum of 4 ST1 Tough Tools and 8 ST2 Chips must be purchased to receive this display at no charge.

Size - 9-1/2" x 10-1/2" x 4-1/4"  
Shipping Wt. - 2 lbs.

## ST75E SCHRADE TOUGH TOOL TOPPER

- Innovative graphics and design.
- Designed to fit on top of Schrade's 500 Series floor cases or most any in-store fixture.
- Uses less than 12 inches of space.
- 360° view of the Schrade Tough Tool
- Strongly illustrated features / benefits story
- Adhesive strip on the bottom of unit for convenient, secure attachment to any surface.

**Note:** A minimum of 6 Schrade Tough Tools must be purchased to receive this display topper at no charge.

Size - 9-1/2" x 10-1/2" x 4-1/4"  
Shipping Wt. - 2 lbs.

## ST72E SCHRADE TOUGH CHIP TOPPER

Plexi topper with graphically enhanced wings (similar to ST75E). Perfect for placement on top of any existing Schrade display, or counter placement.

**Note:** A minimum of 12 ST2 Schrade Tough Chips must be purchased to receive this display at no charge.

Size - 9-1/2" x 10-1/2" x 4-1/4"  
Shipping Wt. - 2 lbs.

## 1. General

- A. All quantities on items ordered are subject to availability.
- B. All orders are subject to acceptance by I.S.C.

## 2. Prices

Price and terms are subject to change without notice. Orders will be billed at prices and terms in effect at the time of shipment.

## 3. Shipping Terms

All orders included in the price schedule will be shipped F.O.B., Ellenville, N.Y.

## 4. Minimum Order \*

- A. \$400.00 at respective cost for Schrade or combination of Schrade and Imperial knives.
- B. \$200.00 at respective cost for Imperial pocket knives only.
- C. Important: All orders below minimum will be charged a \$20.00 handling fee.

*\* Distributors must order in standard packs.*

## 5. Freight Shortage/Damage

It is the purchaser's obligation to promptly submit claims directly to the delivering carrier. Damages or discrepancies in count should be noted on delivery receipt. If shortage or damage is concealed at time of delivery, you must contact the carrier to request an inspection within 15 days of delivery. Imperial Schrade Corp. cannot honor shortage claims for which a carrier is responsible. Packing errors must be reported within 30 days of invoice date.

## 6. Merchandising

Merchandise may not be returned without prior approval and proper return authorization forms and labels. No returns will be accepted without an assigned return authorization number and the correct return authorization address labels affixed to the box. Returns must be sent pre-paid freight.

## 7. Replacement Policy

Please do not replace a customer's damaged knife and return for credit. No credits will be issued or replacements sent. If a replacement is needed, please have the customer send item via certified or registered mail to the address below. We will examine the condition of the knife, acknowledge receipt and advise the customer of our repair or replacement policy.

## Schrade Warranty

### Old Timer/Uncle Henry/Schrade/Schrade Tough Tool

If, during the lifetime of this product, it fails, due to defective workmanship or materials, when used according to instructions, it will be replaced free of charge. We reserve the right to substitute a knife of equal usefulness and value.

The above warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Return the defective product for replacement postage paid and insured to:

# The Schrade Bill of Rights

## *for Excellence in Design, Workmanship, and Durability*

---

### Design & Finish

---

- ★ All Schrade knives have beveled cover edges and are contoured to fit comfortably in your hand.
- ★ The size of the handle matches the size of the blade for overall balanced weight.
- ★ Contoured polished bolsters are designed for reduced pocket wear, comfort in the hand and appearance.
- ★ Polished liner edges eliminate all burrs and sharp edges.
- ★ Scotch Brite finish on all backs and ends to eliminate sharp edges and burrs.
- ★ Hidden bolster pins of the Swinden construction assures superior structural integrity and appearance.
- ★ Schrade knives offer a choice of both lockback liner locking and other designs.
- ★ Schrade offers the greatest variety of blades when it comes to materials and functions.

---

### Workmanship

---

- ★ Schrade knives feature spun centerpins for appearance, feel and structure.
- ★ The blade position corresponds with the shape of the knife to assure a proper cutting angle.
- ★ Schrade offers both flat and hollow ground blades.
- ★ Schrade swedges all blades to assure blade cutting performance and appearance.
- ★ Schrade knives are all hand cutlered, resulting in superior blade placement and walk and talk, assuring a properly working knife.
- ★ 100% hand inspection of every Schrade knife assures quality in workmanship.

---

### Durability

---

- ★ Schrade knives flex positively, due to the annealing process, as well as blade pin structure and material.
- ★ All Schrade handle covers are pinned for durability.
- ★ The construction and design of Schrade knives allows for full wear with structural integrity over time.
- ★ Schrade blades feature Rockwell hardness to meet the standards of the knife.

---

### Summary

---

- ★ Schrade knives are designed to be the finest knives in the world when it comes to design, durability and workmanship.
- ★ Schrade's uncompromising dedication to these basic principles forms the foundation of our vision for the future and successful development of exciting new products.
- ★ Dedicated to the future...Built **SCHRADE TOUGH** to last a lifetime!
